Sir:

Your petitioner, SBC Technology Resources, Inc., a corporation of the State of Delaware, whose business address is 9505 Arboretum Boulevard, Austin, Texas 78759, represents that it is the owner of record of the entire right, title and interest of the present application (10/780,564) by virtue of an assignment recorded in the U.S. Patent and Trademark Office on October 9, 1998, at Reel 9512, Frame 0245 in U.S. Patent No. 6,088,433 for "System and Method for Forwarding Call from Disconnected Telephone Number to New Telephone Number."

The undersigned is an attorney of record empowered to act on behalf of the assignee in the filing of the terminal disclaimer.

Your petitioner, SBC Technology Resources, Inc., hereby disclaims, except as provided below, the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of U.S. Patent No. 6,718,028, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,718,028, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent No. 6,718,028, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the failure of common ownership stated above.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
SBC Technology Resources, Inc.
